

YEARS 1-7

INTERACT CLUB

A photograph showing several human arms and hands raised against a clear blue sky with light clouds. The hands are open, palms facing forward, and are at different heights, creating a sense of collective action or support.

Sponsored by the Rotary Club Larnaka Kition, the aim of the Interact club is to give back to the community by offering help where it's most needed.

Through hands-on service projects, event planning and fierce teamwork, the members have fun, meet new people and improve their leadership skills while discovering the power of Service Above Self.

For more information, please see Ms. Lygia Patsia.
