

YEARS 1-7

SCIENCE BOOK CLUB

If you are feeling inquisitive, looking for good conversation and love science and books then the Science Book Club is just the thing for you!

This reading group, which meets in person, is designed especially for those who are interested in science and technology; their origins and history; how it impacts our society and those who want to gain insights into today's and tomorrow's world.

For more information, please see Ms. Spyros Athanasatos.
