

YEARS 1-7

SEEK FOR GREEK

If you're interested in Greek culture and literature, or want to take a stab at performing in our next play for the Pancyprian School Theatre Competition, this is the club for you.

Our club aims to teach students basic skills in acting and to enable them to express their feelings on stage. Participating students learn about team work and how to cooperate with others thus forming strong relationships in a fun and enjoyable way. In addition to this we watch other school theatre groups and local productions in order to enrich our knowledge on acting and directing a play.

For more information, please see Mr. Andreas Andreou and Mr. Christoforos Christofi.
