# Network Switches for American Academy

---

## I. Introduction

The American Academy Alumni Foundation (AAAF) owner of the American Academy Larnaca is looking to purchase 20 brand new, 48-Port L2+ network switches and 30 SFP+ same brand for the switches.

## II. Procedures

The successful tenderer will be expected to deliver, install and configure the switches in AAAF premises.

## III. Placement of offers

1. Tenders should be submitted in a sealed envelope by **12:00 a.m., on Monday 28<sup>th</sup> of February 2022** in the Tender Box at the AAAF Treasury Office (Graduates Centre Building), tel:24746354/99439395
2. **Incomplete tenders will be excluded**
3. **The AAAF is not obliged to accept the lowest or any tender**

| <b>ITEM (SHORT DESCRIPTION)</b>         | <b>QUANTITY</b> | <b>UNIT PRICE in euro (€)</b> | <b>TOTAL PRICE in euro (€)</b> |
|---|-----------------|-------------------------------|--------------------------------|
| Switches                                |                 |                               |                                |
| Fiber SFP+                              |                 |                               |                                |
|   |                 |                               |                                |
| <u>ALL</u> other costs (please outline) |                 |                               |                                |
| VAT                                     |                 |                               |                                |
| GRAND TOTAL                             |                 |                               |                                |

|                              |
|------------------------------|
| Company Name:                |
| Authorized Person's Name:    |
| Signature:                   |
| Date:                        |
| Contact telephone/mobile no: |

## **20 x 48-Port switches**

48 PORTS Autosensing 10/100/1000

4x SFP+ PORTS 1/10 GbE PORTS

Flash Memory >= 256MB

Internal Memory >= 512MB SDRAM

Switching capacity >=176 Gbps

Throughput >= 130 Mpps

QoS

LAYER 2+ (STATIC ROUTING)

SMART MANAGED L2+

RACK MOUNTABLE

NO POE PORTS

**Warranty = LIFETIME WARRANTY**

## **30 x SFP+**

10G SFP+ Modules same brand as switches

## **Services**

- Enable spanning tree in new switches and on current core switch Aruba ZL2
- Verify proper operation
- Physically install the switches
