

SUMMER SCHOOL 2022

The American Academy Larnaca Summer School invites you to another summer session of action packed fun!

Our Summer School Programme, runs for children aged from **3 to 14 years old**. Participants are offered an enjoyable and constructive time with their teachers and fellow classmates. They are given excellent opportunities for personal development by our experienced and qualified staff in a safe, supportive and educational environment. All the activities take place in our fully-equipped facilities. Our Summer School Programme also offers excellence, flexibility and lifelong learning.

This year's seven-week programme begins on **Monday, 20th June and ends on Friday, 5th August 2022** and includes a variety of athletic and creative activities.

Please note that, following the government's protocol regarding COVID 19, changes may occur in the activities offered.

**Children are allocated to different groups according to their age.*
