

APRIL NEWS

Message from the Principal

Dear Parents,

I hope you all had a wonderful Easter break! This month you will have received a parent survey via email – your feedback is important to us in helping us to ensure we are providing the very best education for your children. Please do take the time to fill it in and let us know if you haven't received it. As we come towards the end of the academic year, our students and staff are busy preparing for the upcoming exams. I wish everybody the best of luck and am sure they will make us proud.

Georgina Michaelides
Senior School Principal

THIS MONTH

During the Easter break, a number of our Upper School students visited Holland, the Republic of Ireland and England to look at university options with our counsellors. As more of our students begin to consider studying outside the UK, and top universities across the EU begin to offer more English speaking degrees, it is imperative that we remain informed and up to date on all higher educational options available. Fortunately, we have a wonderful team of experts to support you and your children every step of the way! Please do get in touch with our counselling team if you have any questions regarding your child's education after they graduate.

Basketball Team: 2nd Place in the District Games

Our lower school boys' basketball team achieved the second place in the final District games.

Athletes: Kyzourides Kyriakos, Kyprianou Paris, Karavidas Sotiris, Papaloizou Giorgos, Georgiou Giorgos, Georgiou Petros, Hadjichambi Michalis, Epiphaniou Epiphaniou, Fantousis Antonios, Sellas Alexandros, Pieris Andreas, Pieris Nicholas, Hadjinicolaou Panagiotis, Nicolaou Ektoras, Papaevelthontos Evelthon, Charalampous Christoforos, Archontides Tassos, Zinonos Cristiano. Coach Anna Beka.

Congratulations on your effort and team spirit!

DIY Musical Instrument Project

As part of their Music lessons, our enthusiastic Year 1 students explored the various families of instruments by creating their own DIY musical instrument. Some innovative and wonderful creations from our young musicians - well done!

Financial Education Course

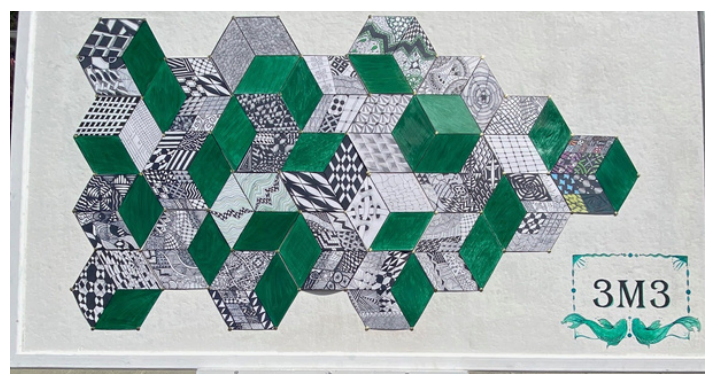

This month we celebrated the commitment and success of a number of students who were awarded a certificate in Financial Education. The Financial Education Course was designed by the Department of Accounting and Finance at the University of Cyprus, and aims to equip young people with the knowledge and skills they will need to manage their personal finances.

The Financial Education Course was delivered by the Business Faculty of the American Academy Larnaca over a period of 12 weeks and covered essential life skills such as budgeting, saving, borrowing and even planning for retirement.

World Art Day

On 7th April we had a wonderful time celebrating World Art Day! Congratulations to all the Year 3 students who contributed their enthusiasm, creativity, and hard work to these projects. Thank you so much to our inspirational Art Team for organising this interactive event in the school yard!

Universities Trip

The Upper School trip visited five Universities in the Netherlands (Amsterdam, the Hague, Leiden, Erasmus Rotterdam and TU Delft), three in Ireland (UCD, DCU and Trinity College) and four in the UK (Reading, LSE, Imperial and King's). Through presentations, campus tours and meetings with alumni, our students familiarised themselves with the education system, application process and requirements of each of the three countries. They also got an insight into the differences between a campus and a city University, and got a glimpse of University student life, helping them to make informed decisions about their future. Moreover, they had a lot of fun doing it, and made memories to last a lifetime!

Walking with Elena

The students of the "Walking with Elena" club collected food supplies for Easter. The donations have been given to the Συσσίτιο Λάρνακας, which has supported hundreds of families in need for over 10 years. Our commitment as a school #ToGrowAndToServe is embedded in our culture.

Peer Pressure Workshop

Year 1 and 4 students attended an interactive workshop on peer pressure workshop, where students had the opportunity to share and reflect on their own experiences. They discussed the need they may have to belong to a group and were offered ways to manage peer pressure. As always, students were encouraged to share their views and feelings openly, and made us proud with their thoughtful and honest communication.

MAY 2023
