New Junior School Extension Building: Announcement of Electrical & Mechanical Installations Tender Process

American Academy Larnaca wishes to announce the commencement of a Tendering Process to identify and appoint the Electrical and/or Mechanical Subcontractor(s) for the new Junior School Extension Building. The Building is a three-story structure, with approximately 1,500 m² of Internal and Covered Areas, which needs to adhere to a 14-Month Construction Schedule. The interested Contractors must have the relevant experience and registration.

The Electrical Drawings and Specifications can be downloaded from the link below:
