New outdoor sports facilities at the American Academy Larnaca (private school)

I. Introduction

The American Academy Alumni Foundation (AAAF) owner of the American Academy Larnaca is looking to appoint a contractor for:

1. The supply, assemblage and fitting of the described on attachments A106 & A107 materials, quantities and constructions.
2. Tenderers must provide detailed information of product make, technical characteristics/data and certificates.
3. Where applicable, tenderers should provide periodic maintenance scheme/s and cost.
4. The project's construction timeframe is from June 2 to August 29, 2025.
5. The successful tenderer will be included as a Subcontractor in the contract of the Main Contractor.

II. Attachments brief description

A106 - Materials 02

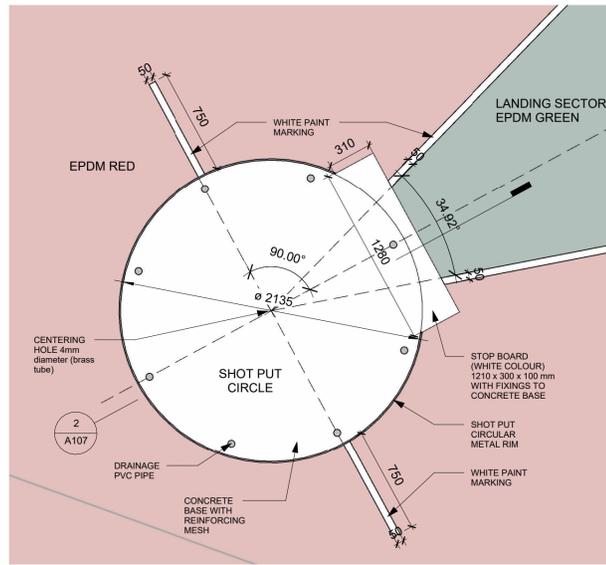

- Includes areas and colors of EPDM material
- Artificial grass area
- For artificial grass, the required quantity of sand should also be calculated in the offer

A107 - Materials - Details

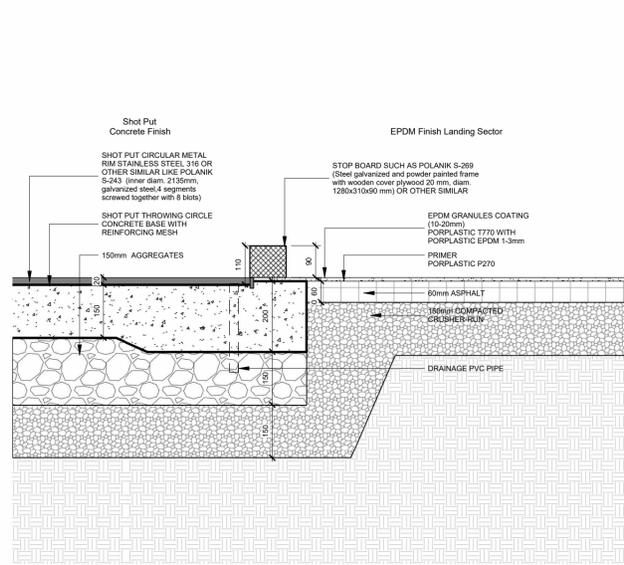

- Includes the details and specifications of the above materials
- The ball valve
- The channel around the perimeter of the trench for the sand

III. Placement of offers

1. Tenders should be submitted in a sealed envelope by 12:00 a.m., on Friday, 9th of May 2025 in the Tender Box of the Treasury Office (Graduates Centre Building / Markou Drakou Street, Larnaca).
2. The AAAF is not obliged to accept the lowest or any tender.
