# June News

*To Grow and To Serve*

## Message from the Principal

Dear Parents / Guardians,

June has been a particularly eventful and meaningful month. We were proud to host our annual Art Exhibition, a true celebration of the creativity and talent of our students. We also welcomed our new students for the academic year 2025-26 during Orientation Day, offering them a first glimpse into their new school community, a chance to meet some of their future teachers, and participate in ice-breaking activities.

Our Graduation Ceremony was, as always, a night filled with emotion and pride as we bid farewell to a wonderful group of students and celebrated a year of growth and achievement.

This year, we also said goodbye to three beloved members of our school community, Mrs. Annita Michael, Mr. Petros Ioannou and Mrs. Christina Athanasiou, each of whom dedicated over 30 years of service. Their contributions have left an indelible mark, and they will be dearly missed.

On behalf of the entire school team, I wish you and your families a relaxing and joyful summer. We look forward to welcoming everyone back on 5th September, ready for another year of learning, growth, and shared memories.

**Margarita Constantinidou**

## OUR HISTORY

*Year 5*  
*Class 1956-57*

# Graduation Ceremony: A night to remember

Graduation Night at the American Academy Larnaca was a heartfelt celebration of achievement, resilience and future promise, held in the warmth of the school community. The evening began with a musical welcome by the school orchestra, led by Dr. Nektarios Rodosthenous and included inspiring speeches from distinguished guests.

Reverend Antonis Mastris offered a reflective blessing, while Dr. Iosif Strouthos encouraged graduates to embrace failure as a pathway to growth. Professor Dr. Soulla Louca delivered a forward-looking keynote on the metaverse and its boundless potential. Warm tributes from the PTA's president Mr. Sozos Theodoulou and student speakers Giorgos Leonida and Stephanie Titilayo Omotola highlighted the power of collaboration, friendship and aspiration.

Principal Mrs. Margarita Constantinidou closed the ceremony by commending the graduates and expressing gratitude to parents, staff and donors. Their contributions and support were celebrated as vital in empowering students to strive, achieve, and dream.

The school's enduring commitment remains: to nurture future generations who grow with purpose and serve with heart.

## Orientation Day

Orientation Day marked the exciting beginning of a new journey for our students. Filled with energy, curiosity and warm welcomes, the day offered a glimpse into the vibrant school community, its values and the opportunities that lie ahead. Through guided tours, introductions and interactive sessions, students and families connected with staff and the spirit of the Academy - setting the tone for a year of growth, discovery and belonging.

# 18th Annual Art Exhibition

The opening night of our 18th Annual A-Level Art Exhibition proved to be a remarkable occasion, marked by the incredible talent, skill and vision of our A-Level students.

The event was inaugurated by the President of the House of Representatives, Mrs. Annita Demetriou and served as a celebration of creativity and self-expression above all.

A heartfelt thank you to everyone for their support and a huge congratulations to our students for never ceasing to amaze us.
