# Request for tenders for the provision and installation of a lighting protection system (LPS)

---

## 1. Introduction

The American Academy Alumni Foundation (AAAF) owner of the American Academy Larnaca, request tenders for the provision and installation of a lighting protection system, for the replacement of an existing non-functional one, at the Centenary building roof:

1. The tenderer following an onsite visit, prior the submission of the tender must inspect the installation areas/roofs.
2. Following the installation the successful contractor must provide all the relevant certificates and warranty.
3. The successful contractor must be able to complete all work by August 31, 2026.

## 2. Procedures

The successful tenderer is expected to:

1. To carry out ALL the required work according to the health and safety regulations of the department of labor and inspection.
2. To hold and provide ALL the certificates, licenses (as may be required by Cyprus legislation) for the type of work, specifications/certifications/approvals of service and products requested in this tender.
3. To complete ALL the fields as outlined on **TABLE "A"** at the tender submission page.

## 3. Placement of offers

1. Tenders should be submitted via email by **12:00 a.m., on Monday, 22<sup>nd</sup> of June 2026.**
2. **Incomplete tenders will be excluded.**
3. **The AAAF is not obliged to accept the lowest or any tender.**
