AGM 2026 - New AAAF BoD Members

The American Academy Larnaca Alumni Foundation held its Annual General Meeting on 10 June 2026, bringing together alumni to reflect on the past year and share plans for the future.

Members were presented with the school's exciting infrastructure master plan, while the meeting also marked a change in the Board's composition. We warmly welcome Mr George Georgallides and Mr Antonis Hadjiforados, and extend our sincere thanks to Mr Marios Tziarris and Mrs Evi Kramvi Mallouri for their dedicated service and lasting contribution to the school and the Foundation.

Key Dates

- **13/8** A-Levels Exam Release Date
- **20/8** GCSE Exam Release Date
- **1-2/9** Re-Exams
- **7/9** Students Back to School

Message from the Principal

Dear Parents and Guardians,

As we bring this remarkable academic year to a close, we feel very proud of everything our students have achieved. It is with immense pride that we reflect on our recent Graduation Ceremony when 112 graduates walked across the stage. We took great joy in honouring every single student for their unique achievements, dedication and resilience. The evening was made even more unforgettable by the truly inspiring speeches delivered by our guests and students alike, leaving us all with a renewed sense of hope and excitement for the bright futures that lie ahead for the Class of 2026.

I want to extend my deepest gratitude to all of our parents for your incredible cooperation, trust and partnership throughout the year. As we head into the summer, I kindly ask that you remain connected with us by checking your Classter application starting from the end of August. We will be sharing vital information, updates and preparations for the upcoming semesters directly through the platform.

Looking forward, our team is already fully prepared for the next academic year. Our school calendar, student timetables and strategic plans are set to ensure a seamless and exciting return to school.

I wish you all a safe, restful and joyous summer break with your loved ones, and we look forward to welcoming you back for another fantastic year of growth and learning.

Art Exhibition

The opening night of our 19th Annual A-Level Art Exhibition proved to be a remarkable occasion, marked by the incredible talent, skill and vision of our A-Level students.

The event was inaugurated by the Deputy Minister for European Affairs, Mrs. Marilena Raouna and served as a celebration of creativity and self-expression above all.

Congratulations to our students for never ceasing to amaze us.

Orientation Day

Orientation Day marked the exciting beginning of a new journey for our Year 1 students. Filled with energy, curiosity and warm welcomes, the day offered a glimpse into the vibrant school community, its values and the opportunities that lie ahead.

Through guided tours, introductions and interactive sessions, students and families connected with staff and the spirit of the Academy – setting the tone for a year of growth, discovery and belonging.

Inspiring young minds through STEM Racing!

American Academy Larnaca STEM Racing initiative has engaged primary school students across Cyprus, including students from Aradippou D', Drosia, Kamares, Kathari, Dali B' and Kiti Primary Schools.

Students explored key concepts in Physics, Engineering and Aerodynamics through hands-on STEM activities, while developing curiosity, creativity, critical thinking and problem-solving skills. The programme also gave them the opportunity to see how scientific and engineering principles can be applied in an exciting and meaningful way.

Mathematics Olympiad 2026

We are delighted to congratulate our students on their outstanding achievements in the Mathematics Olympiad 2026. Their success reflects not only mathematical ability, but also determination, critical thinking and a willingness to embrace challenge, qualities we nurture and value throughout their learning journey.

Gold Medal

Year 5 – Yu Liangxuan
